PRIMARY CARE

PRE-REGISTRATION AND PROVISIONALLY REGISTERED PHARMACISTS CALCULATION WORKSHOPS

6 – 8pm – Across all 3 days.

CPC and Babir Malik are once again offering Pre-Registration and Provisionally Registered Pharmacists a chance to practice 20 calculation questions online. The session will cover questions from all areas of the GPhC Framework.

Feedback will be given on each question immediately after to ensure that each person fully understands how to answer all the questions.

Babir Malik
